Spiky was a hairy, black caterpillar with white stripes.

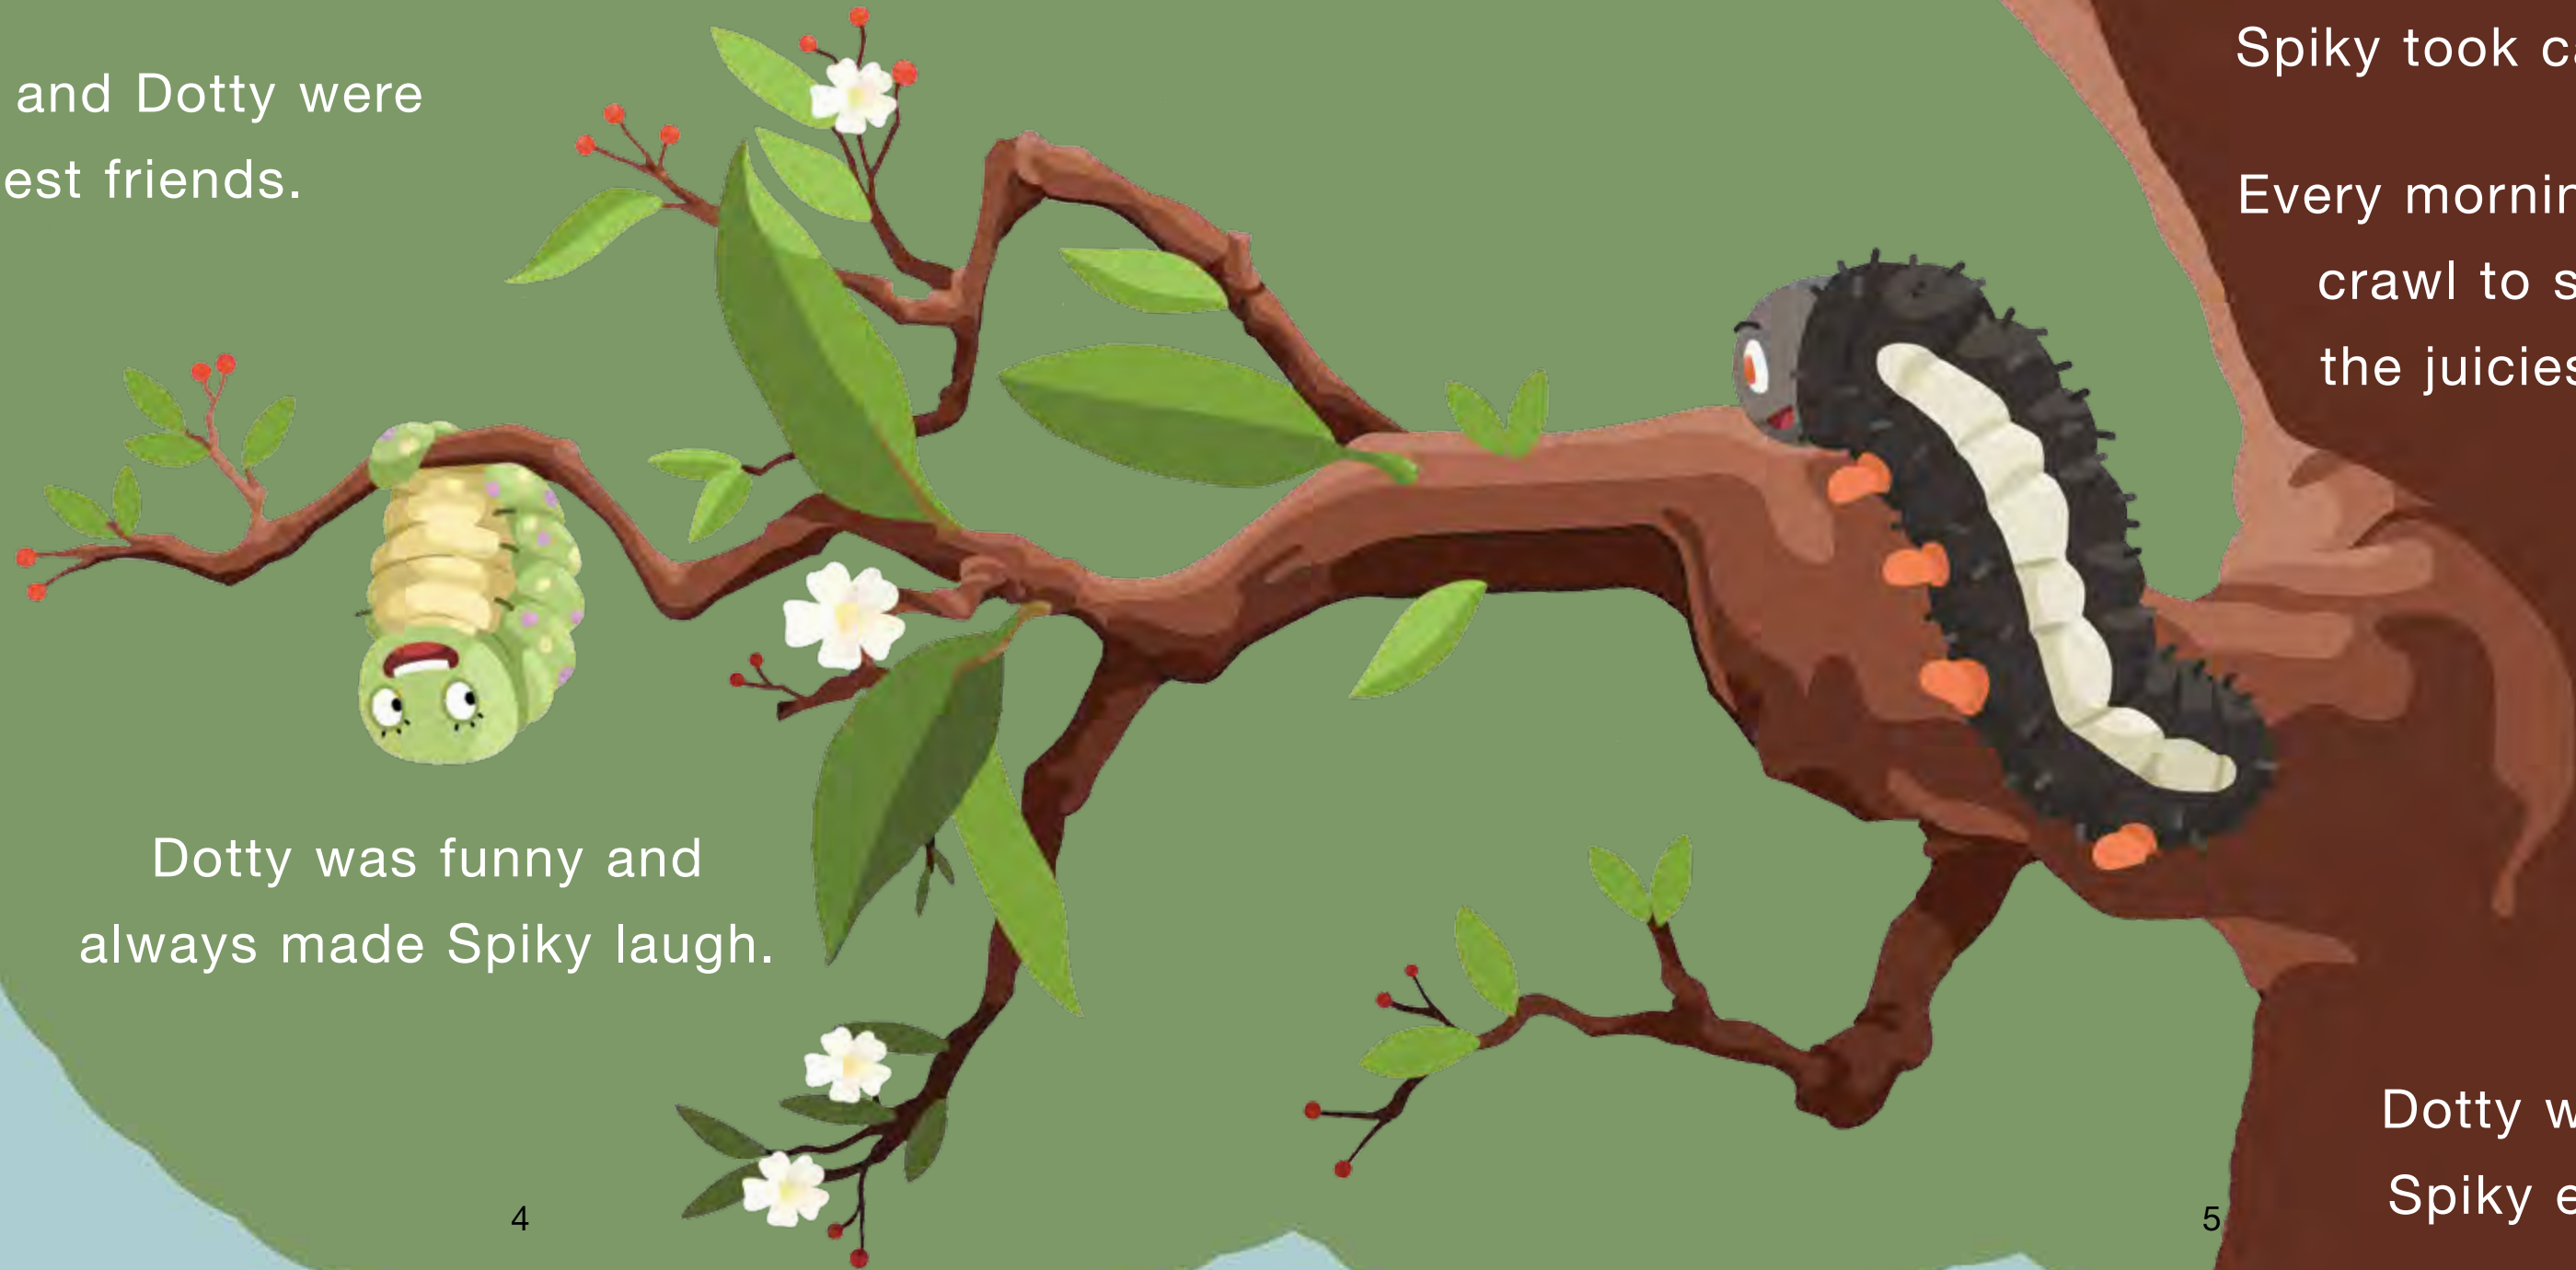

Dotty was a green caterpillar with yellow and pink dots.

They lived in a tembusu tree in the heart of the Botanic Gardens.

Spiky and Dotty were
best friends.

Dotty was funny and
always made Spiky laugh.

Spiky took care of Dotty.
Every morning, he would
crawl to search for
the juiciest leaves.

Dotty would follow
Spiky everywhere.

M Make A Difference Books

The stories in the **M.A.D. Books** series recognises that everyone is different and that's what makes us special.

Spiky and Dotty loved to play together.

One day after they both changed, they realised that one of them can only play in the day and the other only at night.

Will the best friends grow apart or will they find a way to spend time together?
